

AIRPLANE TO EXPLORE THE ANTARTIC REGION

(Correspondence Associated Press)
LONDON, June 20.—Two airplane manufacturers have offered to give an airplane to J. L. Cope, leader of the British Imperial Antarctic Expedition, for a flight to the South Pole. It is declared to be Mr. Cope's intention to carry an airplane on board the exploring steamer Terra Nova, on which the expedition is to

proceed until the vessel becomes fast from the ice.

Mr. Cope is planning to be absent about six years.

Among the officers he has selected to accompany him are several who participated in previous expeditions. Professor R. C. Mossman, who had been appointed chief of the scientific staff, was meteorologist to the Scottish Antarctic expedition. A. H. Larkman, chief engineer with the Shackleton expedition, will go with Mr. Cope in the same capacity, and Lieut. H. R. Hooke of the Royal Air force, who also with the Shackleton expedition, has been appointed chief of the wireless staff.

Captain Hurley, official photographer to the Australian forces in the war and who accompanied the Dawson expedition as photographer, will go as photographer.

Lieut. E. Healy, late of the Dublin Fusiliers, has been appointed a member of the shore party which will leave the Terra Nova when the vessel becomes fast in the ice, and will explore the district to the south of the Great Ice Barrier.

NEW OCTOBER PEACH

(Associated Press)
PORTERVILLE, Calif., July 14.—A new peach, ripening in October, and of a salmon tint, has been accidentally propagated here by C. A. Witt, an orange grower. The chief virtue of the new fruit is the fact that it comes on when other varieties have gone. Mr. Witt plans to start an experimental orchard of the new variety at once.

BELLS FOR WESTMINSTER

(Correspondence Associated Press)
LONDON, June 19.—For the first time in history there is a full octave of bells at Westminster Abbey. Heretofore there had been only six. The donors of the two new bells are sisters. The bells have been named "Faith" and "Ruth."

AMERICAN BOY LEADS ITALIANS IN BAND MUSIC

(Correspondence Associated Press)
ROME, June 17.—Willy Ferrero, aged 13, who leads 100-piece orchestras in selections of Wagner, Beethoven, Rossini, Grieg and others, is an American and was born in Portland, Me. The child has attracted the attention of Europe since he was four years old but it was only recently that his American birth was revealed by his parents, who are Italian.

The father told the Associated Press correspondent that Willy carried an American passport but that his name thereon was William Ferrero, a name he had chosen for him while he had worked in Maine when the child was born.

The father said that at the age of two, the lad was brought to Italy whither his parents were returning to take up their residence in their old home in Turin. When Willy was four, he began his musical career leading an orchestra in the Folies Berge in Paris. A year later, he appeared in the Costanza theater, Rome, where for the first time he led an orchestra of 100 pieces. The program was composed of Wagnerian, Beethoven and other heavy selections.

The child took his orchestra before

Emperor Nicholas in 1913, and conducted two concerts for the monarch. In the same year, his orchestra was filling an engagement in London, and he was commanded to appear before Queen Alexandra of England, at Marlborough house. He appeared before Pope Benedict XV in 1916.

In April, 1915, just before Italy's declaration of war, Willy was presented with the Gold Medal for the Italian minister of education after he had made a successful appearance in Augusteum, where he had conducted an orchestra and chorus aggregating 500 participants.

All the players in the orchestra are men of long musical experience.

NAVAJO WORD FOR GAS BUGGY

(Associated Press)

SALT LAKE CITY, Utah, July 14.—"Shinkapachug" is the word used by the Navajo Indians of Utah for automobile, and it is literally translated to mean "a wagon that goes chug," according to L. E. Christensen, deputy sheriff of Utah county, who is considered an authority on the language of the Navajo, Hopi, Ute and Apache Indians.

Mr. Christensen is the news dispenser among the Indians on the reservation which borders on his county and he declares the Indians are now attempting to coin a word for the airplane. It is a miracle to them, he says.
